

Crude Oil: Made Simple (Paperback)

By Ashbee a Bakht

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****. What drives the price of crude oil? Why is it that when the price of a barrel of oil goes down on the financial markets we don't feel any real savings at the gas pumps? Why do we pay more for gasoline in the summer, and not in the winter? The international best-selling author of this book, Ashbee A. Bakht has over a decade of experience in the resource industry as a commodities trader. Ashbee holds a degree in psychology from Brock University, Canada with further post graduate training in the extractive resources industry from the prestigious Norman B. Keevil Institute of Mining Engineering at the University of British Columbia, Canada. Ashbee has written this book in simple English to help you understand one of the world's most valuable commodities, crude oil.

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It's been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.

-- Beverly Hoppe

Extremely helpful for all classes of individuals. Better than never, though I am quite late in starting to read this one. I realized this publication from my mom and dad suggested this ebook to discover.
