Perfection Learning, United States, 1987. Hardback. Condition: New. Language: English . Brand New Book. Knock, knock Who s there? Someone with sad underwear. Sad underwear? How can that be? When my best friend s mad at me, Everything is sad. Even my underwear. But sad underwear is just one of the many complications a person has to deal with. There s the first day of school ( Will they let me go when I need to go to the bathroom? ) and pests like Wayne ( a fellow who clogs up life s drain ) and bee stings and liver for supper -- and missing your dad. This companion volume to the acclaimed If I Were in Charge of the World and Other Worries has poems for explorers and dreamers, for people who love unicorns, for people who d rather have pets than baby sisters. Funny, poignant and always true, it examines and celebrates life with all of its perplexing complications.
