THE CASE IS ALTERED (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Case is Altered is an early comedy by Ben Jonson. First published in 1609, the play presents a range of problems for scholars attempting to understand its place in Jonson s canon of works. The play s first three acts adhere to the scheme of formal Act-scene division that Jonson favored in his works - but Acts IV and V do not, suggesting a second author or a revision by another hand. (Revision could also explain a few anomalies in the text, like an allusion to Jonson s Every Man in His Humour, which was written later than The Case is Altered.) Anthony Munday is certainly connected with the play in at least one sense: Act I satirizes him as Antonio Balladino - though he has also been put forward as a possible part-author of the play, as has Henry Porter. Critics have noted that the play was never included in any of the three folio collections of Jonson s works in the 17th century, and was apparently never mentioned by him; and also that its romantic plot and its loose structure (with a blending of multiple plots and subplots) are atypical of the general nature of Jonson s drama. One commentator calls the play a false start and a loose end in Jonson s canon.
