By Bobo's Little Brainiac Books

Sunshine In My Soul Publishing. Paperback. Condition: New. 40 pages. Dimensions: 8.5in. x 8.5in. x 0.1in. The ability to tell time and count money are often linked together because they encourage the same skill set, which is the ability to skip count. Kindergarten students should be taught these concepts because they form the foundation for arithmetic. The great thing about using this resource is that it is inclusive and highly interactive with its colors and layout. Open a book today! This item ships from multiple locations. ### Reviews

*This composed ebook is wonderful. It really is written in basic words rather than hard to understand. You may like the way the writer composed this pdf.*

*This book can be well worth a go through, and a lot better than other. It is written in simple words and phrases and not confusing. It has been printed in an exceptionally simple way in fact it is merely right after I finished reading through this pdf by which basically changed me, modified the way I think.*
