Reviews

Good e-book and useful one. It typically does not expense an excessive amount of. I am just delighted to tell you that this is basically the finest book we have read during my very own existence and could be he best ebook for actually.

(Audra Hodkiewicz)

SCOTLAND THE TEXT: YOU CAN TAKE MY PHONE, BUT YOU LL NEVER TAKE MY FREEDOM! (PAPERBACK)

Black and White Publishing, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Nowadays, it can be hard to imagine what life was like with no mobile phones. Looking back, we can only wonder how much easier life might have been if people could just send each other a quick text! But what would history s most famous Scots have been texting about? Would Rabbe Burns have been sending love poems to his lady friends? Would David Livingstone have been lost in the jungle for so long if he had Google maps? Perhaps David Hume could have spread his serious words of wisdom alongside some emojis. And William Wallace may well have rallied the troops over instant messaging! This witty little book sets out to discover exactly what these Scots, and many more, might have been saying on their adventures. Scottish history has never been so entertaining, or so modern!.
