

September Commando: Gestures of Futility and Frustration (Paperback)

By John Yates

AK Press, United Kingdom, 2001. Paperback. Condition: New. Language: English . Brand New Book. The second installment of politically charged satire, scrutiny, and social commentary from John Yates Stealworks graphics compound. Whereas his first anthology of work, Stealworks, was a retrospective that gathered together in a single archival collection previously published material, this latest edition comprises an entirely unpublished selection of incendiary graphics. Featuring over 100 of Yates designs, September Commando is a visual assault on all things bad. From our benevolent leaders on Capitol(ist) Hill to Twenty First Century Cops, from his own apathy-embracing (de)Generation X to the selling of Corporate American ignorance (and purchase thereof) to the (pocket) enlightened m(asses). Think of it as Barbara Kruger on a social injustice killing spree.
