

Charts for Intermediate Greek Grammar and Syntax

By -

Broadman Holman Publishers, United States, 2016. Sheet map, folded. Condition: New. Language: English . Brand New Book. The premier cheat sheet for Greek Syntax and Exegesis. Keyed to the best-selling Going Deeper with New Testament Greek (by Kostenberger, Merkle, and Plummer), this set of folding laminated pages covers all traditional syntactical categories (for example, uses of the genitive, rules about the Greek article, possible translations of the imperfect tense), as well as information about New Testament textual criticism, current summaries on Verbal Aspect debates, and steps on doing Greek word studies. Each syntactical category includes an example from the Greek New Testament (with Greek text quoted) and an accompanying English translation. The specific word or phrase in question is in bold font in both the Greek and English text. With these laminated sheets by your side, you will never waste time flipping through your intermediate grammar looking for that syntactical term or grammatical function you can't quite remember.
