## A RARE DUO

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 46 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. A RARE DUO is the chronicle of highly valued events that took place in the Authors growing up as a child and her closeness with her twin sister and how it has transformed her into the very person she has become. This book also stresses on how it has transformed her growth and understanding of others, and the legacy both her parents have left for her to live by. Sharing her life's narrative, the Author illustrates the roles of life, death, education, employment and familial affection in transforming her from simply a sister to a well-rounded and independent member of society, living life to the fullest. Growing up as a twin in a large and well-off Nigerian family affords the author a great number of opportunities that she has learned to truly appreciate. Although the loss of each of her parents over time has a profound impact on molding her into the resilient and hard-working woman she is today, she has relentlessly treasured her family's most essential value of love and compassion. It is clear she has truly embodied this beautifully empathetic spirit as she discovers herself and diligently lives out her dreams. It isn't until you come to a spiritual understanding of who you are as a person, or necessarily get a religious feeling that deep down the spirit within you begin to take control. Part of being able to enjoy life to its fullest is to master the skill of goal setting, and then leave chasing life and accomplishing those goals and dreams. Taiwo is a British citizen and co-owned a consultancy and events business in London, UK with her twin sister. She has worked in the administration...
