Filesize: 1.19 MB

Reviews

It is one of the best books. Indeed, it really is play, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace, United States, 2015. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****. Thinking Good Thoughts about Me is an inspirational self-help guide full of positive thinking specifically designed to help children between the ages of six and twelve increase their confidence. Thinking Good thoughts About Me helps children and young people follow their dreams by building positive attitudes and heightening self-esteem, self-belief, and motivation. AUTHOR MARY MCGRANAGHAN has inspired and encouraged hundreds of young children over the twenty-five years she has been working as a primary school educator-and now she can encourage and inspire the special child in your life. Thinking Good Thoughts about Me is a ground-breaking self-help guide specifically designed to empower children with the positive thinking, confidence, and self-esteem they need to face challenges, overcome obstacles, and, ultimately, develop into happy, productive adults. Primarily intended for children between the ages of six and twelve years old, Thinking Good Thoughts about Me is easy to use, easy to follow, and hard to put down. The book is made rich, vibrant, and inviting by McGranaghan s creative use of colour, design, and layout, but it s the words that make it stand out in your memory. From first page to last, Thinking Good Thoughts about Me is filled with first-person affirmations that the young reader is instructed to say to his or her self. By saying things like I am a winner, I can do it, and I am special to themselves each day, children will reshape the way they see and respond to life. The world will become for them a pleasant, beautiful place in which they play a proactive role and are confident, comfortable, and secure. McGranaghan has worked in the school system as both a teacher and a principal,...
