BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 173 x 137 mm. Language: English . Brand New. Many were displeased with the peace King Richard of England brokered in the Holy Land, and his return from the Crusades wasn't greeted with cheers, but rather shackles. Now a guest of the Holy Roman Emperor, the Lion-Hearted is being held for an exorbitant ransom so much money that it seems unlikely that the silver will make its way from Britain to Germany. For converging on the caravan are a number of groups with very different motives: French troops who want the silver to continue their war with the English, mercenaries intent on causing chaos, English longbowmen looking to protect their country's future, and Shield-Brethren hoping to ensure King Richard's freedom. With a surprising cast of characters, *The Lion in Chains* is a Foreworld SideQuest that illuminates a decisive moment in European history in an unexpected way, revealing another secret in the long-reaching narrative of the Shield-Brethren.
