THE LOST SUN (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Fans of Neil Gaiman's American Gods and Holly Black's The Curse Workers will embrace this Norse-mythology-infused USA in book one of Gods of New Asgard. Seventeen-year-old Soren Bearskin fears both the past and the future. His father, a famed berserker warrior, went to prison after killing thirteen innocent people during a mindless battle-frenzy. Berserking is in Soren's blood, too: constant fevers and insomnia promise the power will explode in him any day. He's terrified of himself. When Baldur - Odin's son and the god of light - vanishes, Odin offers a boon to any who bring him news of his son. Soren sees his chance to change his fate: with that boon, he could ask Odin to strip berserking out of him forever. Along with Astrid Glyn, a teen prophet who's dreamed of Baldur's location, Soren takes off on a road trip across the United States of Asgard in search of the lost god and a new future. A moving and original romance. - Publisher's Weekly Strong writing and an inventive recasting of mythological characters combine to create an evocative, romantic adventure. - BCCB.
