SAGE Publications Inc. Paperback. Book Condition: new. BRAND NEW, **Passing the Special Education TExES Exam: Keys to Certification and Exceptional Learners**, Barbara L. Wilmore, This book is written to address the Texas certification examination for special education teachers (TExES). All teachers must pass this exam to receive special education certification, and a school cannot hire a candidate without this certification if there is a candidate who has it. The book aligns directly with the Texas State Board of Educator Certification domains and competencies, which are aligned with the Texas Administrative Code standards. The author has years of experience in TExES test development and in providing popular, successful, and inspiring TExES preparation seminars at multiple universities and training sites around the state. The student development concepts upon which TExES is constructed is written in a down-to-earth manner utilizing real life stories for practical application and will allow the reader to connect theory with actual practice.
