THE DEMAND FOR HEALTH: A THEORETICAL AND EMPIRICAL INVESTIGATION (PAPERBACK)

Columbia University Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. A seminal work in health economics, Michael Grossman s The Demand for Health introduced a new theoretical model for determining the health status of the population when first published in 1972. His work uniquely synthesized economic and public health knowledge and catalyzed a vastly influential body of health economics literature. It is well past time to bring this important work back into print. Grossman bases...
