They forget that even oppression has its limits. It did not occur to them that though ignorance and slavery may subsist together, abject bondage and diffused intelligence form too discordant an alliance to remain long in a state of union. To impose the galling chains of universal subjection upon enlightened Europe, was an enterprise which folly and madness alone could suggest. The scheme could only succeed under every possible modification of well-organized tyranny, while it extended to a certain point; beyond these limits the machinery becomes too complex the engine no longer works with effect, but becomes gradually clogged, until the main and original spring, which should give life and vigor to the whole, is first impeded, and subsequently arrested in its action. Against the resources and efforts of ordinary governments, the military energies of a state, so naturally, artificially, and extraordinarily powerful as France, might prevail even to an alarming extent; but when a course of successful tyranny is felt to be universally subversive of all human happiness, the spirit of resistance is awakened; the nation and the government have no longer a distinct and separate interest; the ordinances of the latter are anticipated by the voluntary oblations of the former, and, from their united skill and labor, the pillar of state is erected upon foundations that may safely resist the most impetuous assaults. Such, then, has been...
