In all matters, GAO takes a professional, objective, and nonpartisan approach to its work. GAOs quality assurance framework is designed to ensure adherence to these principles. The framework is designed around people, processes, and technology and applies to all GAO work conducted under generally accepted government auditing standards. GAO has a multidisciplinary staff of approximately 3, 200 accountants, health experts, engineers, lawyers, national security specialists, environmental specialists, economists, historians, social scientists, actuaries, and statisticians. GAO leverages this knowledge by staffing engagements with teams proficient in a number of areas. For example, engagement teams comprise a mix of staff supported by experts in technical disciplines, such as data collection and survey methods, statistics, econometric modeling, information technology, and the law. To add additional value and mitigate risk, GAO has a forensic audits and special investigations team to expose government fraud, waste, and abuse. A key process in our quality...
