The Christmas Trees of Pelkie Field: A French-Canadian Winter Tale tells the story of two brothers, ages fifteen and five, who are given the responsibility of bringing home the family Christmas tree from a forest near their small family farm. Set in rural northern Michigan, it is a humorous and poignant tale of life in a large, traditional family in the second half of the 20th century. Setting out on an early December day, Mike and Jimmy revel in their winter wonderland, creating special memories for themselves and for their family. As they find their way to Pelkie Field, their story reaches back in time as they walk in the footsteps of their ancestors whose memories permeate the tale. It is a story of family, tradition, and holiday spirit in the northwoods of Michigan.
