Vision Publishing (Ramona, CA), 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Oh not another book on the famed subject of worship! I hear your lament. There are already too many manuals that help to define, teach, and even delineate between the types and categories of praise and worship. Some even come supported by meanings from Hebrew and Greek word exegesis. Many of them have indeed helped to enlighten the Body of Christ on the matter of praise and worship and, hopefully, many a saint would have improved his or her conduct in this area from reading them. However, the limited concern of this book is to expound the bridal as well as the prophetic implications of worship - the kind that enters past His gates into His courts. and helps the saints to experience all that can be found in there. Psalm 22:3 says God inhabits the praises of His people, and I find this very challenging because I ve been in far too many congregations where the worship was conducted without the slightest indication that God Himself was supposed to be involved. From scripture and from our daily walk with the Lord, we must find worship to be a journey into the prophetic realm that entrenches us firmly in His present truth purposes. We must aspire, each time we prepare the heart to open the mouth, to actually enter His presence. There, He inhabits the worship and praise, thereby giving it divine life and beauty, and leaving us His revealed glory, and counsel. Our praise and worship flow from the fact of our growing relationship with Him, and as we speak and sing from sanctified adoring hearts, He, in turn, quickens and stirs our hearts with the glory and authority of...
