Every one who is interested in codliver-oil should consult this monograph, which places the latest results of investigation before the reader in the most explicit and clearest language. The second part of the book consists of a very complete dissertation on Chemistry, especially of the hydrocarbons, in which, incidentally, the modern theories of valences, molecular and atomic grouping, and stereochemistry are set forth in the light of recent research, and especially in relation to the methane derivatives, beginning with the hydrocarbons. The author has adopted a method of explaining the graphic formulae which is striking and original, and well devised for the purpose he has in view. The History of the Pennsylvania Hospital, 1751i8\$5. By Thomas G. Morton, M.D., Fellow of the College of Physicians; President of the Medical Staff and Senior Surgeon of the Pennsylvania Hospital; President of the Philadelphia Academy of Surgery, etc....
