One of the most common reasons given by women who date serial killers is the fact that they see the little boy that the horrible man once used to be, and they believe that they can nurture that kid, hence removing the cruel and harmful nature of the killers and making them amicable again. Known as serial killer groupies or even prison groupies by some, a great number of these women have shown a surprising desire to get connected to the serial killer of their choice. A large number of these women have become directly aligned with these killers, and some have even married these hardened criminals. Groupies will do almost anything to get close to the prisoner that they are attracted to. They give up jobs, family, spend money on him, and even move across country to be in the same town as him. Some SKGs are attracted to the celebrity status they acquire. They go on talk shows to announce their undying love for the serial killer and proclaim that he was not capable of these killings. This book depicts several such cases and you'll meet some of these SKGs. -----The obsessed groupies of predators such as Richard Ramirez (The Night Stalker) are just as fascinating as the serial killers they love. Best-selling author RJ Parker offers powerful insights into the needs, motivations and dark desires of women who pursue and sometimes marry the most infamous killers in history. This powerful psychological examination of these women is not to be missed. Well researched, Parker sheds new light on...
