Brand New Book ***** Print on Demand *****.The United Arab Emirates (UAE) is a federation of seven semiautonomous emirates with a resident population of approximately 9.2 million, of whom an estimated 11.5 percent are citizens. The rulers of the seven emirates constitute the Federal Supreme Council, the country's highest legislative and executive body. The council selects a president and a vice president from its membership, and the president appoints the prime minister and cabinet. In 2009 the council selected Sheikh Khalifa bin Zayed al-Nahyan, ruler of Abu Dhabi Emirate, to a second five-year term as president. The emirates are under patriarchal rule with political allegiance defined by loyalty to tribal leaders, leaders of the individual emirates, and leaders of the federation. There are limited democratically elected institutions, but no political parties. A limited appointed electorate participates in periodic elections for the Federal National Council (FNC), a consultative body that can examine, review, and recommend changes to legislation, consisting of 40 representatives allocated proportionally to each emirate based on population. In 2011 the appointed electorate of approximately 129,000 citizens elected 20 FNC members, and the rulers of the individual emirates appointed the other 20. Citizens can express their concerns directly to their leaders through traditional consultative mechanisms such as the open majlis (forum). Topics of legislation can also emerge through discussions and debates in the FNC. While authorities maintained effective control over the security forces, there were some media reports of human rights abuses by police. The three most significant human rights problems were citizens inability to change their government; limitations on citizens civil liberties (including the freedoms of speech, press, assembly, association, and internet use); and arbitrary arrests, incommunicado detentions, and lengthy pretrial detentions....
