Shopping malls. not war. but a collaboration. The market exists . there are fish to bite the big fish. who eat who does not depend on the scale. and depends on its core competencies. that is cooperation. The industry is to provide consumers with a full range of services. In a sense. is service. service creates value and service management in place. but corporate image building. the added value of intangible assets. Customer is god. Customer satisfaction is our permanent pursuit. the customer is always right. the service concept is refined through practice the essence of these enterprises. Only as customers for God. the customer will turn the mall as their home. the two sides will be in a win-win each benefit. SUMMARY The book is mainly practitioners business model and sales strategy. the proposed operators by reference to a large number of real cases. the advantages and disadvantages of in-depth analysis of the industry in a variety of formats mode. how to transfer goods to consumers. how to attract even convinced consumers to purchase goods. which make for themselves every business can be found in the most appropriate program. so as to achieve the best sales results in an...
