Europa Editions, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. A modern love story, *I Regret Everything* confronts the oceanic uncertainty of what it means to be alive, and in love. Jeremy Best, a Manhattan-based trusts and estates lawyer, leads a second life as published poet Jinx Bell. To his boss's daughter, Spaulding Simonson, at 33 years old, Jeremy is already halfway to dead. When Spaulding, an aspiring 19-year-old writer, discovers Mr. Best's alter poetic ego, the two become bound by a devotion to poetry, and an awareness that time in this world is limited. Their budding relationship strikes at the universality of love and loss, as Jeremy and Spaulding confront their vulnerabilities, revealing themselves to one another and the world for the very first time. A skilled satirist with a talent for biting humor, Greenland creates fully realized characters that quickly reveal themselves as complex renderings of the human condition - at its very best, and utter worst. *I Regret Everything* explores happiness and heartache with a healthy dose of skepticism, and an understanding that the reality of love encompasses life, death, iambic pentameter, regret, trusts and estates.
