Black and White Publishing, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book. Margaret Thomson Davis new novel is a gripping saga with plenty of twists. Double Danger tells the story of Jessica McKay, who moves to Saudi Arabia to be with her new husband, Brian. At first it seems like paradise, but after the birth of their two children, she feels threatened by terrorist attacks on the luxurious compound where they live and decides she must return home with the twins, settling in an estate that Brian has inherited in the Campsie Hills near Glasgow. However, back in Scotland, things are not what they seem and the real danger begins. Jessica s children mistrust the attractive gardener, Patrick, believing that his charming manner conceals sinister schemes - and when a terrible accident befalls their father on his way home to see his family, they fear their worst suspicions are about to be realised. Double Danger is vintage Margaret Thomson Davis - a story of suspense, betrayal and murder.
