

## Techniques and Sample Outputs That Drive Business Excellence (Paperback)

By H. James Harrington, Chuck Mignosa

Taylor Francis Inc, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. Many organizations are looking for that magic tool or methodology that will suddenly transform them into outstanding organizations. Unfortunately, there is no one right answer for all organizations or even for a single organization. Successful organizations skillfully integrate the appropriate improvement approaches with honesty, commitment, and constancy of purpose across all levels of management. This book, part of The Little Big Book series, discusses the most common set of tools and methodologies used in managerial, strategic planning, project selection, and organizational improvement projects that are referred to throughout The Little Big Book series. It presents, in a concise no-nonsense format, the concepts and techniques that must be mastered by project managers and anyone tasked with managing an improvement project. The tools covered in this book include affinity diagrams, brainstorming, cause-and-effect diagrams, the Kano model, organizational process improvement, Pareto analysis, project management, risk management, root cause analysis, storyboarding, value propositions, and workflow diagrams. Because of the large number of tools and techniques covered, the book supplies concise operating guidance for each tool that is adequate to prepare readers to understand and use that tool. It also...
