Tundra Books, Canada, 2011. Paperback. Condition: New. Language: English . Brand New Book. He was born, wild and free, in the vast mountainous scrublands of Nevada. Until he was a year old, no human hand touched him, though he knew something of the danger people represented to the herd. But one fateful day, the herd was chased by a huge black creature in the sky, and the yearling was separated from his mother. In blind panic he ran, but he could not outdistance the terrifying, whirling thing above him, or the humans on horseback that surrounded him. Before long, JB Andrew would come to the attention of many. He was big, leggy, and awkward, but he had a long, graceful stride and was chosen for an inmate prison program where he would be trained and made ready for adoption. JB, short for Jail Bird, had a special quality that forced people to take notice. Before his retirement years later, he would win hearts and trophies in the elite competitive dressage ring by becoming the first and only wild mustang to attain success in the sport. He paved the way for people to dream, believe, and succeed and in doing so, JB became one of the greatest ambassadors for wild mustangs the breed has ever known. Third in the True Horse Stories series, JB Andrew: Mustang Magic is as warm as it is inspiring.
