

Forty-Nine Long Lost Arban Duets for Trumpet (.That Arban Never Wrote!)

Filesize: 2.21 MB

Reviews

*This written publication is wonderful. It really is loaded with knowledge and wisdom You will not really feel monotony at at any time of your time (that's what catalogues are for relating to if you ask me).
(Desmond Becker)*

FORTY-NINE LONG LOST ARBAN DUETS FOR TRUMPET (.THAT ARBAN NEVER WROTE!)

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The original studies written by J.B. Arban that are the basis for these forty-nine duets are among the most assigned, practiced, played, and reviewed by all trumpet players - beginner, intermediate, advanced, and pro alike. But there were never duets based on them. until now! Practicing and playing them with your friends, students, and colleagues will yield tremendous benefits for all involved. Here s just a few suggestions for using these classic studies as duets: - Actually schedule a time each week to play duets. We all need to have ensembles to play and perform in, and a duet is the easiest to organize - it s just you and your duet partner. Or add a third player to make things even more fun (plus this makes sure you are resting properly by having only two of you play while the third is resting). - As you play, be listening closely to yourself and your duet partner to match the attack, tone, phrasing, articulations, dynamics, and intonation to create a truly musical experience. Don t just play notes - always make music! - Be sure to practice and play both parts. Each player will benefit from playing the 1st and 2nd parts. Have the 2nd part player follow the musical example of the 1st part player, then switch parts for more follow the leader practice. - After perfecting duets 19-37 as single tongue duets, speed up the tempo and use double tongue or triple tongue for even more fun. - These duets are also great for practicing sight reading, transposition, building endurance, increasing range by transposing them into higher keys, and playing rhythmically. A few things to remember:...
