

New Frontiers of Slavery (Paperback)

Filesize: 5.44 MB

Reviews

This is actually the best ebook we have read till now. Indeed, it can be enjoy, nevertheless an interesting and amazing literature. You will not feel monotony at whenever you want of the time (that's what catalogs are for regarding should you question me).
(Jamar Stracke)

NEW FRONTIERS OF SLAVERY (PAPERBACK)**DOWNLOAD**

State University of New York Press, United States, 2017. Paperback. Condition: New. Reprint. Language: English . Brand New Book. The essays presented in *New Frontiers of Slavery* represent new analytical and interpretive approaches to the crisis of Atlantic slavery during the nineteenth century. By treating slavery within the framework of the modern world economy, they call attention to new zones of slave production that were formed as part of processes of global economic and political restructuring. Chapters by a group of international historians, economists, and sociologists examine both the global dynamics of the new slavery, and various aspects of economy-society and master-slave relations in the new zones. They emphasize the ways in which certain slave regimes, particularly in Cuba and Brazil, were formed as specific local responses to global processes, industrialization, urbanization, market integration, the formation of national states, and the emergence of liberal ideologies and institutions. These essays thus challenge conventional understandings of slavery, which often regard it as incompatible with modernity.
