Our ALL-SUFFICIENT GOD: Beyond Suffering in the Book of Job invites you to lift your eyes higher and higher. See not only the hand of God and what He does, but also the face of God and His character as He reveals Himself in the book of Job. The authors take this often neglected and overlooked book of the Bible, separate it from its usual theme of suffering and show the enduring truths of God's character. Is God in control over all? Is God just? Is God loving? Is God all-knowing and all-wise? Job and his friends grappled with these questions. Like them, what we believe about God shapes our interpretation of God's dealings with us and with others and determines our actions. In the midst of his suffering, all Job had was faith in his God. At times, this God-tested, enduring faith looked rough, crude and raw, yet it endured. Through the experience, God revealed to Job and subsequently to us His attributes of sovereignty, providence, lovingkindness, justice, omniscience and wisdom. This guided, 13-week Bible study will help you appreciate God's worthiness to be loved, trusted, worshiped and served in all circumstances. As you have a fresh encounter with the book of Job, you will be encouraged to develop character like Job's that pleases God. You will learn to speak rightly about God and to benefit from greater intimacy with Him when troubles come. While this guidebook takes care in the areas of hermeneutics and theology, it is also practical for Christian living and personal devotion. It includes a three-act play, background material, word studies and weekly review questions. The first two lessons take the student through...
