Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Has the name of a friend you haven t seen or heard from for a long time suddenly popped into your mind? Do you react to that thought? Call the person? Or simply regard it as some distraction? Do you believe you are able to touch base with someone without the usual human tools? Do you ever feel like someone needs you and you don t know who? or how to reach that person? Do these questions reflect in any way on your religious beliefs? If any of these questions cause you to pause, rethink your life, you probably need to read Poetry of Genesis. If none of these questions ring a bell with you, then maybe you are missing something. You might benefit from reading Poetry of Genesis The book is based on the premise that we are spiritual beings. Our spirits often pick up what our bodies do not recognize. Many problems we face today come from us being unaware of our spiritual dimension. The book looks at some causes of mental illness in our society and show how we can lessen these effects if we are attentive to the spiritual element in us.
