## THE NUMBER TWO PENCIL SOLUTION

iUniverse, United States, 2008. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Dan Wilder, a public school teacher dedicated to overseeing merit and achievement in his language arts students, increasingly finds himself fighting forces he believes are bent on destroying excellence in schools. From ever-increasing regulations and mandates to opponents of public school funding to rigid administrators and indulgent parents, Wilder faces a mounting battle against a relentless bureaucracy that he believes he fights alone, especially as he deals with his disintegrating marriage to Mary Elizabeth, a third grade teacher. Wilder challenges the rigid views of the likes of Hollings Tipton, a wealthy and influential restaurant mogul who has consistently opposed all taxes for education, and principal Richard King, the rigidity of bureaucracy in human form. Seizing much-needed inspiration from his own heroes from literature he once read and then taught to his students, Wilder s final enlightenment originates from an incident his deceased brother witnessed decades earlier. As Dan Wilder senses the education he loves is vanishing and may be a symptom of the inevitability of change, he revisits his hometown, where he realizes the futility of his situation, leading him to commit his final symbolic act of defiance.
