

Financial Foghorns Guide to Gold

By Michael McGowan

Investor Education Services. Paperback. Condition: New. 280 pages. Dimensions: 9.8in. x 7.0in. x 0.6in. This book is designed to help make you a better investor in the specialized field of gold and silver investing. Gold and silver provide important protection today because of the political and financial risks facing investors. Gold investing has been tarred by stock brokers and the financial media as only for kooks, leaving the individual without a roadmap or even a dictionary. McGowan to the rescue! Financial Foghorns Guide to Gold covers Gold's complete spectrum, including all the menu options for investing, from coins to bullion to mining shares to ETFs to Mutual Funds. McGowan's writing style is entertaining, educational, and yet easy to read. An attorney and financial planner, he has been investing in, making money with, and teaching others about gold and silver for over 29 years. Financial Foghorns Guide to Gold will leave you sated . . . full of information, convinced Gold deserves a permanent role in your portfolio, and now with enough knowledge to make it happen. It will help you protect yourself against financial risks first, diversify your portfolio, and then make handsome profits with gold and silver. This item ships...

Reviews

Very useful to all of category of people. I actually have read through and that i am sure that i will likely to go through once more again in the foreseeable future. I realized this book from my i and dad advised this publication to find out.

-- Alta Kirlin

This is the very best publication i have got read until now. It is definitely simplified but shocks within the fifty percent of the pdf. You may like how the article writer create this pdf.
