Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

What happens to the father of a 13-year-old son, when he discovers that he has been infertile all his life? That intriguing question is the starting point of A Father s Affair. On his quest to discover the biological father of his son, the protagonist, Armin Minderhout, takes the reader on an extraordinary journey, one in which he is forced to reconsider everything he has ever believed in. With the page-turning suspense of a whodunnit , A Father s Affair probes the eternal question of how well we know the ones we love. Touching, at times extremely funny and erotically playful, it is a story of universal appeal - a stylish, acutely insightful and utterly captivating read.
