Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.My Dutch diary is a light-hearted look at my view on life month by month. It s all the things you won t find in a guidebook partly because they are very ordinary in a day to day sort of way and partly because I live in a part of the country that isn t just ignored by guide books it s also avoided by a lot of the Dutch people too. In a way that s nice because although the old customs and old wives tales can be infuriating at times it is nice to live somewhere where the seasons still mean more than just a change in shop window displays. From the village fair in summer to the mud that cakes the roads in harvest time the seasons play a big role here. I also think that a country isn t just about language and geography it s about the food, and while I m not a professional chef I do like to cook and I love to eat so I ve included a taste of The Netherlands by including some of my favourite Dutch recipes in this book. Read, cook and enjoy.
