Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Oxford as It Is: Being a Guide to Rules of Collegiate Residence and University Requirements for Degrees Tmc present publication by the American Club of Oxford aims at bringing down to date their concise circular issued in May, 1900, for the purpose of presenting information with regard to Oxford conditions of study in terms intelligible to American students unfamiliar with English University and College systems. The scope of the original circular has been very much enlarged, chiefly in the hope of answering beforehand questions which are somewhat prematurely arising in connexion with Rhodes scholarships. Nearly all of these inquiries have come from Americans, and since the Rhodes scholarships are not Oxford University or College scholarships, the University and the College authorities will not be called on to deal with the Rhodes scholars until that indefinite future time when, having been elected by the trustees, they appear and knock at the Academic door. On the other hand, intending Rhodes scholars cannot well dispense with accurate information as to conditions of admission, residence, examinations, and degrees, because, under the terms of the will, not one of them can draw his stipend until he shall have passed through that door. A statement of Oxford regulations may, however, thanks to the publicity required by a democratic constitution, be accurate without being officially made. On behalf of the American Club of Oxford, the undersigned has attempted such a statement, made, be it said, solely upon his individual responsibility; but not without several intentions and requests from fellow-members of Congregation.
