Univ Europeenne, United States, 2011. Paperback. Condition: New. Language: French . Brand New Book. Cet ouvrage porte sur la pauvrete et les nouvelles dynamiques des solidarites familiales a Dakar (Senegal). Nous faisons d abord ressortir les incidences de la crise economique et des mesures d austerite qui l ont accompagnee sur l evolution des conditions de vie de Dakarois appartenant aux categories sociales moyenne et populaire. Nous proposons, ensuite, un examen des solutions individuelles et collectives d adaptation a la pauvrete. Nous montrons ici que les solidarites familiales sont au centre de ces strategies de survie mais elles sont mises a rude epreuve dans un contexte de pauvrete en expansion et de changements sociaux. Une telle situation est porteuse de nouvelles dynamiques. Celles-ci s expriment a travers la structuration differentielle des solidarites selon les categories sociales, le genre et la generation, l intensification de la solidarite dans l espace conjugal, un renversement des flux de solidarite entre les generations de la crise et les aines sociaux Elles se manifestent egalement par l apparition de discours critiques et de comportements individualistes a meme de deboucher sur une remise en cause de certains aspects des solidarites familiales.
