*Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

THE TRINITY ARCHIVE, 1909-1910, VOL. 23 (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Trinity Archive, 1909-1910, Vol. 23 The whole forenoon had been spent in gazing at hundreds of world - famed pictures in the Dresden Art Gallery, and my mind was utterly fogged in the seemingly endless task of admiring. i thought to escape and seek relief in the open, but the silence that came over all talking visitors as they entered a certain room, or cabinet, of the gallery prompted me in passing it to enter the shrine too. Ah! Immediately I had new life and, like others, stood in mute amazement and rapture, spell-bound in the glorious presence of the Sistine Madonna. Truly, had the Virgin herself with her immortal Son suddenly appeared to the many spectators in that room the attention could hardly have been more reverent or more intense. For here to be sure was the Queen of Heaven in bodily presence before our eyes, - and no mere simple girl mother, but great motherhood incarnate, foreseeing calvary but far beyond too, triumphantly into the infinite glory of a world redeemed by bitterest sacrifice. The painter genius had here given an eternal habitation, not to airy nothingness, but to humanity s loftiest and grandest conception, and in mute wonder I, with the rest, paid him my debt of gratitude for thus lifting me far above life s misery and disappointment and limitations into the regions of glorious truth and beauty.
