

## The Primal Code (Hardback)

Filesize: 6 MB

### **Reviews**

*This publication is definitely not simple to begin on studying but quite fun to see. It really is full of knowledge and wisdom I am just effortlessly can get a satisfaction of studying a created pdf.*

*(Alfreda Bradtke)*

## THE PRIMAL CODE (HARDBACK)

To save **The Primal Code (Hardback)** eBook, make sure you access the web link beneath and download the ebook or gain access to additional information that are relevant to THE PRIMAL CODE (HARDBACK) ebook.

Eventhor Media, United States, 2015. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The art of understanding has been going to seed for ages; long lost in the fog of advanced mathematics. The Primal Code Theory deals with layers of unknown worlds far below the Planck constant. The Primal Code does not infringe on a Standard Model that is totally unaware of any hidden principles serving as its foundation; its painstakingly constructed mathematical model of particle physics, an irrefutable edifice of human ingenuity is unfortunately built on the wrong kind of quantum sand. The Primal Code is based on the behavior of a corporeal primal atom split out of zero with an adverse twin atom. It lays out a handful of principles on how and why a primal particle with no inherent internal qualities (except its relation to zero) can cause identical random splits. The primal atom is all there is. It has no energy in any sense of the word. By splits, it can proliferate and gather in clouds but, as the smallest Universal unit, it cannot project any external effect across a void. It does however have a unique coordinate relation to other atoms, a coordinate system relative to any linear Universal movement and rotation. These coordinates are not really an inherent property of atoms. The Primal Code lays out a handful of inviolable principles that govern this world, a blend of parental and newborn coordinates; the only thing keeping the Universe going. The conceptual Primal Code explains the nature of material systems with duality of mass and movement where collective primal interactions lead to all the different faces of primal energy that reach us sifted through many layers of material systems that warp them like funny mirrors...
