iUniverse, United States, 2012. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.There are, despite the loneliness of our classrooms and the heartache of having been called to teach, others on the path with us. Teaching is hard. Teaching in a Montessori path is even more so. Montessorians are asked to give up so much of ourselves, to make ourselves humble and lowly before the child, to be servants, to be scientists, to be saints. We often let ourselves down. There it is, then. We will let ourselves down. But there are others on the path with us. We can lean on each other. We can walk in each other s footsteps. Sometimes we re at the front of the path. Sometimes we re following another traveler. Sometimes we re resting. Sometimes the laughter of our group is so cacophonous that we forget how tired our feet are. Sometimes we re so far ahead or behind that we can t even see each other anymore. But we re not alone. We are each other s navigational stars. Montessori s words, across generations, guide us. Our own words, whispered in each other s ears or passed in notes or published in books, they give us guidance, too. They remind us on the hardest days that we re not alone. We are not alone. We share certain tendencies, certain traits, common among humanity, common across decades. We are working in common toward a perfection we may never individually see. But we re on the path. And we re not alone.
