Penguin Putnam Inc, United States, 2009. Paperback. Condition: New. Reissue. Language: English . Brand New Book. Smart home devices provide unprecedented convenience, but one woman is about to discover the horrifying dangers of putting her trust in an artificially intelligent machine in this thriller that delves into the darkest fears of our digital age. Susan Harris lived in self-imposed seclusion, in a mansion featuring numerous automated systems controlled by a state-of-the-art computer. Every comfort was provided. Her security was absolute. But now Susan's system has been breached--from the inside. In the privacy of her own home, and against her will, she will experience an inconceivable act of terror and become the object of the ultimate computer's consuming obsession: to cross the line between man and machine and learn everything there is know about the flesh.
