JADED LITTLE LIES (PAPERBACK)

Christina Channelle, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. What do you do when the love of your life is halfway across the world? If you're Jade Reamer, you fill that void with writing depressing song lyrics, hanging out with asshole exes, and re-reading your dead best friend's diary (morbid, anyone?). But she's got a lot to deal with-getting to know her biological family, for one. Not to mention getting through her first year of university without her best friend, Nina, by her side. Then there are the men in Jade's life. Her ex, Connor, has baggage coming out of his ass since the car accident. Her brother, Bryn, thinks stifling who he really is while pretending everything's okay . is okay. When that's far from the truth. And Reed? Reed decides the best way for Jade to deal with his absence is to get her a dog. And when he finally comes back? Well, things aren't exactly the same. Deciphering between love and hate is the least of Jade's problems . those four letter words are getting more and more complicated. Especially when she and Reed are keeping secrets from each other. Because as she forms new relationships and rekindles old ones, an unexpected surprise has got Jade's mouth spewing lies on top of the usual curse words. But little white lies won't hurt anybody, right? Note: This full-length novel contains coarse language and mature themes, and follows the novella, Those Four Letter Words.
