

Ideas Experiments in Lifestyle Design

By Rami El-Ashi

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 122 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. More than 100 pages of new, cutting-edge content. This book is all about ideas and experiments in lifestyle design. You will never be sold anything throughout your journey. Some ideas will be expanded upon in great detail, others are self explanatory. Rami is not in the business of spoon feeding you or cheating you. He is trying to bring a point home and that is, if you are willing to put in the effort, then you are bound to make money. If you are smart enough to find shortcuts to achieve your goal, well then, that works out great for you! If you're a little lost and need some interesting, creative ideas for your business, then this book is for you. This book will also cover some unconventional ideas, like creating your own country, but you'll have to read into it to learn more. However, some of the main ideas in the book revolve around the elimination of excuses. Everyone has a 101 excuses to not move forward with an online project, but hopefully when you're done reading...
