Reviews

This sort of book is every little thing and got me to searching ahead and a lot more. This can be for all those who statte there was not a well worth reading through. I am just easily could possibly get a delight of reading through a published pdf.
(Floy Rolfson)

STRIPPED

Samhain Publishing. Paperback. Book Condition: New. Paperback. 304 pages. Dimensions: 8.3in. x 5.4in. x 0.8in. Someone wants their perfect weapon back, only shes not coming quietly. Alexa Wells wants her life back. Shes just not sure what that life was. The memories inside her head arent hers, and before she humiliates herself onstage one more time, she sets out to collect the scattered pieces of her mind. The trail leads to Boston, charges of identity theft and murder, and the real bombshell: a forgotten werewolf lover who insists shes a werewolf hybrid. Matt York doesnt care that she looks at him like hes been smoking crack between court cases. Now that he has her back hes not about to let her go it alone, even if she can easily kick ass and take names all by herself. Amnesia only scratches the surface of her problems, and like it or not, shes stuck with him. Shes also stuck with Robert Gamboldt, a venture capitalist whos not above murdering his way to the top. Hes not about to lose his prize possession without playing dirty. Its a simple enough offer. Be his personal assassin, or go to jail. With options like that, its enough to make a hybrid go full-blood. Warning: Delicious sexual tension with a werewolf wholl wait as long as it takes for his hybrid werewolf mate to come around. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
