Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.LEXICON AND ATLAS OF THE MODERN WORLD coinciding with THE ANCIENT GREEK WORLD From Solon of the sixth century BCE to Alexander the Great of the fourth century BCE, the Ancient Greek World covered about six percent of our Modern World, but in this small inhabited territory many of the greatest deeds of history were accomplished in places whose names remained the same to this day or changed with the subsequent civilizations. In order to retrieve from this book some brief information about nearly four thousand of these places the researchers can approach it by their names in either the Modern world or the Ancient Greek World. For the Ancient Greeks, the earth was a flat oval sphere surrounded by a huge Ocean, longer from west to east than from north to south. In addition to Hellas (Greece), their world encompassed the lands of Southern Europe, North Africa and Egypt, and West and Central Asia. In relation to the Modern World, it covered from the British Isles and Gibraltar in the west to western China and India in...

### Reviews

*This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.*
