Palmful of diamonds is the saga of life and love of an Indian psychiatrist born in a foreign land. He was the middle one in a large family. He was twelve when political uncertainty displaced his family forcing them to return to India as refugees. Faced with poverty and unexpected challenges, young Surya developed the attitude of a fighter. His exposure to the dynamic philosophy of Swami Vivekananda molded his character into one of a radical nationalist. This quality coupled with his all round stage talent endeared him to the youth and he emerged as an active student leader. But unknown to them, his personal life was checkered and tearful; destiny placed obstacle after obstacle in his path, testing his moral courage at every step. Hunger had not spared him; it was a painful task keeping it a secret. Upon his confession to his doting classmate about the realities of his life, she silently walked out on him plunging him into further misery. But his philosophy of life, and his multiple talents stood by him, winning him awards at the national...
