Practical Clinical Laboratory Diagnosis: A Thoroughly Illustrated Laboratory Guide, Embodying the Interpretation of Laboratory Findings, Designed for the Use of Students, and Practitioners of Medicine (Classic Reprint) (Paperback)

By Charles C Bass

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Practical Clinical Laboratory Diagnosis: A Thoroughly Illustrated Laboratory Guide, Embodying the Interpretation of Laboratory Findings, Designed for the Use of Students, and Practitioners of Medicine Several years of teaching Clinical Laboratory Diagnosis, making laboratory examinations and often interpreting the findings, has forcibly impressed us with the need of such a book as this is intended to be. We take up only those laboratory examinations that are useful in ordinary, every-day practice and do not include tests that are seldom used or that are practical only for special laboratory workers. Our plan throughout the book is to give only one method of making a test or examination. We select what we consider the best, simplest, most practical method of making each test and do not sacrifice space or clearness by giving several tests or methods for obtaining the same information. All apparatus employed are specified, usually illustrated, and when thought to be advantageous, a source of supply considered reliable is given. Reagents are all specified, the formulae given, and an economical and practical source of supply is stated...
