Recycle: The Essential Guide (Paperback)

By Lucy Siegle

Black Dog Publishing London UK, United Kingdom, 2010. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Recycle: The Essential Guide is a basic introduction to the how s, what s, when s and where s of recycling. With vibrant visuals and a clear, accessible layout, the book illustrates all angles of the subject - from the urgency of resource depletion to the lighter, consumer-oriented aspect of eco-design. Recycle opens with an introduction from renowned Guardian journalist, Lucy Siegle. In her inimitable way, Siegle contextualizes recycling in the changing global economy; discussing the way it has changed throughout the ages, and raising questions about where it is headed. Following the introduction is a comprehensive section of recyclable materials; Paper, Plastic, Metal, Glass, Household Waste and Compost. Each material is explained in depth; how it is sourced, its impact on the environment, how the recycling process occurs and what each individual reader can do to facilitate these processes. Interspersed amongst these sections will be a variety of little stories, facts and suggestions for inventive reuse in the home. Colorful and distinctive images run alongside, giving voice to the text. The third section of the book is a series of 20...

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It has been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.

-- Beverly Hoppe

Extremely helpful for all classes of individuals. Better than never, though I am quite late in starting to read this one. I realized this publication from my mother and dad suggested this ebook to discover.
