CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 286 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. Part of me wanted to scream, Ugh! This is too hard! and call it quits. But I believed in Cameron and me, and I was not ready to give up. Not to mention, the idea of failing at another relationship was not so appealing either. If I had been in the practice of talking to God (I was not), now would have been a good time to appeal for some help. But since I felt that the combination of questioning my faith and my other transgressions over the past year had already earned me a black mark next to my name, I assumed that divine intervention would be asking for too much. A woman's unexpected entry into an interfaith marriage brings her closer to her roots than she ever imagined in this inspirational true story, From Generation to Generation. Written by Jane Larkin, a Jewish woman who made the difficult decision to marry outside her faith, this fascinating memoir explores an ancient religion in the face of modern times. Jane knew the statistics quite well: those who belong to interfaith households often lose their beliefs, neglect regular ritual observance, and raise children who are less likely to associate themselves with religious tradition. Having been raised in the midst of these gloomy statistics, Jane decides to enter into marriage with a fellow Jew, despite the fact that she is not in love. But she quickly realizes that a marriage based solely on shared faith is not a marriage that can last, and the union crumbles. Newly single, Jane soon falls in love with a non-Jewish man. Before she knows it, she finds herself embarking on the one adventure she had hoped...
