Excerpt from De Paris a Constantinople par le Danube: Esquisses Et Souvenirs de Voyage Pour cette fois, nous avons modere nos ambitions voyageuses. Apres avoir mis en balance l'Espagne le Canada et Constantinople nous adoptames ce dernier but. Dans les circonstances actuelles, il offrait un attrait particulier: la guerre entre les Russes et les Turcs etait a peine terminee; les armees ennemies se trouvaient encore en presence; l'effervescence morale et politique, a peine contenue par la reunion du congres de Berlin, n'avait rien perdu de son intensite. Nous decidames donc de partir pour Constantinople, en suivant la voie du Danube. Plus compliquee et meme plus longue que les autres, cette route avait le grand avantage de nous faire passer a portee des principaux champs de bataille qui ont recemment occupe l'attention publique. Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It has been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.

-- Beverly Hoppe

Extremely helpful for all classes of individuals. Better than never, though I am quite late in starting to read this one. I realized this publication from my father and dad suggested this ebook to discover.
