Reviews

*If you need to adding benefit, a must buy book. It is really simplified but excitement from the 50 percent of your book. I discovered this book from my dad and i recommended this book to understand.
(Dorothy Sawayn)*

MAKING SENSE OF NURSING PORTFOLIOS: A GUIDE FOR STUDENTS: A GUIDE FOR STUDENTS (PAPERBACK)

OPEN UNIVERSITY PRESS, United Kingdom, 2008. Paperback. Condition: New. Language: English . Brand New Book. Each chapter s activities are hands-on and should make the book a useful and enjoyable experience. It will appeal to students and teachers as a one-stop shop for portfolio advice and support. Nursing Standard This text is much needed. Clearly written and engaging, this has the potential to become a gold standard portfolio text. Roger Watson, Editor of Journal of Clinical Nursing and Professor of Nursing, School of Nursing and Midwifery, The University of Sheffield Having read this book, I feel that it is not only useful for nursing students, but could be useful for qualified nurses who are working on their continuing professional development folder. As students progress through their course, how they manage their time, their attitude to learning and the goals they set for themselves may change. It is fitting therefore that the first chapter looks at learning in the context of portfolios and includes a time management, desire for learning and self control questionnaire - which although gives no definition to how the student manages their time, could prove to be an interesting activity particularly if completed at the start of a year and then at the completion of the year. Joanne Starks, Nursing Student Fiona Timmins has made the topic of nursing portfolios easy to understand with simple terms and many helpful activities throughout while still being easy to read. While covering everything from the purpose of portfolios, content and structure to portfolios in operation this is a book that will greatly help anyone trying to produce a portfolio whether just starting or nearing the end of one.I will deffinatly be refering to this book throughout my 3 years as a student nurse making my portfolio and would reccomend others...
