Broadview Press Ltd, Canada, 2017. Paperback. Condition: New. Language: English . Brand New Book. Following a dramatic break-up with his long-suffering wife, Jack Vesooivan retreats to a Hamilton rooming house, where he impulsively decides to take to the road to track down his life-long colleague, Petronius Totem. Petronius Totem has disappeared following the unlikely success of his memoir, Ten Thousand Busted Chunks, praised for its searing honesty. But when it is discovered to be a pack of lies, Petronius Totem becomes universally despised. Meanwhile, Jack faces another grim truth: the world is being taken over by a sinister multi-national Fibre-Optic Catering business that has created a chicken-like food matter than can actually fly. Can he and Petronius Totem escape into a virtual future that is free of Chick Lit and flying fibre-optic chickens? Or will Jack return home to his wife Elaine whom it seems, with good reason, will shoot him on sight? Searching for Petronius Totem is a love story for the age: a wild, imaginative, and utterly original novel.
